

Part L - Technical Reference - 2nd Tier Documents - used in the Approved Documents

Easy link to references.

The direct link is:

<http://www.planningportal.gov.uk/england/professionals/en/4000000000563.html>

Or if you want to get to it from the DCLG home page, one route is:

- Log onto <http://www.communities.gov.uk/>
- Click the Building Regulations link on the left hand side
- Click **Revised building regulations to tackle climate change laid in parliament** on the right hand side under External links
- This will open a new window with the news release from 15 March
- In the right hand list of links click **Part L 2006: Building Regulations Conservation of fuel and power**
- On the new page about half way down the right hand links you will see **Technical References used in the Approved Documents and other resources**
- Click this and you are there
